

Pukerua Bay School
Our Vision
"Confident, Inspired, Achievers"

Dear Parents and Care-givers

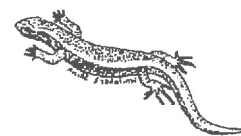

On Friday we will be having a shared lunch to farewell Else and Kayleigh. Both families have moved out of the Bay and are settling into new schools in their new areas. Can you please provide a plate to share.

We will also be watching the Madagascar 3 DVD on Friday afternoon. This has a PG rating, so if you have any objections please see me so that an alternative arrangement can be made for your child.

Thanks
Melanie
