Wha- Production 2014

Dear Parents/Caregivers

As you are probably aware Wha is doing a scene from The Lego Movie in our upcoming production. Our scene is set in the Lego city so the children will be dressing up as Lego figures that you would find in the city e.g.: business people/doctors/cheerleaders/sports people etc.

Each child in the class has chosen a Lego figure they would like to dress up as.

Your child has chosen to dress up as a : _____

For their costume they will need:

We are also looking for the following items. If you have any of these please send them to school ASAP. Remember to name them so we can return them at the end of the production.

All Black rugby jerseys

Brightly coloured ties

White shirts suitable for business people to wear

Child sized builder's overalls

Tool belts

Each child will also be constructing a Lego head and there will be a small cost of \$4 per child to go towards materials. Please send this money to school with your child by Thursday 11th September

Over the next two weeks we will be constructing our Lego heads and a Lego car. It would be great to have some parent help to assist with cutting/painting etc. If you are able to help out please fill in the form below.

If you have any queries please do not hesitate to contact me

Many thanks

Jo Verran
