Information for lead characters

Monday 15th September

Dear Parents/Caregivers

Our school production is coming up fast and the lead characters have been working really hard. Thank you for the work you have done with them so far at home.

We are in the process of finalising details for the show days. Here is some information you need to be aware of:

- **COSTUMES:** All costumes need to be at school on WEDNESDAY 17th SEPTEMBER. The children know what they need to bring and I have some items of their costume at school already.
- **HAIR:** Superheroes- need to check out their character online and do their hair the same way.
Villains- Need to have their hair up in a high pony tail.
- **MAKE UP:** Could you please put make up on your child prior to them coming to the matinee and evening performances. It needs to be quite heavy so that they do not look washed out on stage. We will have limited supplies at school for touch ups.
- **SUPERVISION:** Your child will meet Ms TJ in the library prior to performances and she will supervise them before and after the show. They need to be at school at 6.15pm.

Please do not hesitate to contact me if you have any queries. My email address is jo@pukeruabay.school.nz

Many thanks
Jo
