

# Pukerua Bay School

Our Vision:-

***"Confident, Inspired,  
Achievers"***

27 February 2015

The school will be changing to a new email system as of the **10 March 2015**. **You will need** to sign on to this system to receive any newsletters, notices etc. for the whole school, individual classes and syndicates.

To sign on to the system please go to the school website:

**["www.pukeruabay.school.nz"](http://www.pukeruabay.school.nz)**

The email sign up button is at the bottom of the left hand side of our front webpage. Please sign up by completing **"the subscribe to our mailing list form"** using your current email address.

If you have already signed up last year, thank you, however please go back into the system and check that you are signed up for your children's correct classes for 2015.

If you are not able to access the newsletters and notices by email and require them in hard copy please let the office know by the **10 March**.

Thanks for your assistance with this.

Regards

**Mary Jones  
Principal**
