Dear Parents,

Parent Information Evening

Kia Kaha Programme

We have planned a parent information evening this **Thursday evening, 3 September, at 7pm** to introduce you to our police school community Officer Susan Bush and provide information about the Kia Kaha programme. This is a very positive health programme that provides children with strategies to manage social relationships and to counter bullying behaviours.

This is a very important and effective programme. We encourage you to come and meet Sue and become well informed about how the Kia Kaha programme can strengthen and support our children.

Please rsvp to the school office by Wednesday 2 September if you will be attending.

Regards

Mary Jones
Principal
