Dear Parents/Guardians

I am sad to inform you all that the lovely Lara Briggs will not be returning to school after her maternity leave. Lara has made the decision to make motherhood her priority before re embarking on her teaching career. Lara is very grateful to the school and community for the opportunities she has been given and the relationships that she has formed during her time at Pukerua Bay School. We will miss Lara very much and wish her all the very best for her future with her lovely new family.

Kind regards

Tara TJ
