

Pukerua Bay School

Our Vision:-

***"Confident, Inspired,
Achievers"***

1 August 2016

Dear Parents/Caregivers,

On Friday (and early Monday morning) we held our production auditions. We had a large number of students audition for each part (over 20 for some parts) and we acknowledge all the hard work each student put into preparing for the audition. There were some outstanding auditions as well as auditions that showed a need for the students to build confidence. We are confident that given a bit of time and support the students will achieve their goals.

Students could be disappointed that they did not get the part that they wanted. We have been able to give some of the students who missed out another prominent part in the production with a small speaking role.

We delivered the news to all classes this morning and were impressed with the way the students supported and congratulated each other. Congratulations to those who were awarded a speaking role!

We know you will, but please talk with your child about disappointments and how they make us grow stronger and develop resilience - there is also the Pukerua Bay School's got Talent show which many of the children are excited about.

Kind regards

Andrew Wooster and Tara Taylor-Jorgensen
