## Production!

We are so proud of our children who worked extremely hard to put on 3 fantastic evening performances this week. We are also very grateful to the many parents who put in several hours with costumes, face paint, safety plans and the fabulous set! The children and staff are very tired but all agree that it was well worth it! Check out some of the pictures we took over the past 3 nights.

Mr Wooster is putting together a DVD of the performance and these will be available for sale week 5 next term.

## **Onesie Day**

We had a onesie day today and we raised \$200.00 for Wellington Free Ambulance.

Dylan helped me collect and Mandy count the money

**Mr Wooster's favourite day!**

## **November consultation - 9th November - save this date!**

The Pukerua Bay School Board of Trustees have been directed by the Ministry of Education to conduct an engagement meeting with our community around the options that the ministry are considering to make provision for the roll growth in Northern Porirua. We also need to consult with you around setting our Charter and Annual goals. Please keep **November 9 (7pm) free** so that you can attend this very important meeting.

## **Little Gardens**

We have been donated two boxes of little garden herbs and vegetable seeds from the New World Supermarket 'Little gardens' promotion. For every \$40 you spend you receive a little plant. If you have no use for these we would love them to plant for our edible garden.

Have a lovely relaxing weekend - I know that the children and staff of PKB will sleep well!
