"Confident, Inspired, Achievers"

March 2017

Voluntary Family Donations

School donations are used for the day-to-day operations of the school. The school receives an operations grant from the Ministry of Education but this does not cover all of our costs. Therefore the voluntary donations enable us to purchase necessary items for the school. As a result of last year's donations we have been able to provide our students with new resources, an upgrade of our school website, ICT equipment, specialist Kapa Haka tuition for students, and professional learning to up-skill our teachers.

The recommended donations are now as follows:

Families with one child at school:	\$155.00 per year (\$38.75 per term)
Families with two children at school:	\$275.00 per year (\$68.75 per term)
Families with three or more children at school:	\$350.00 per year (\$87.50 per term)

If we did not need to ask for school donations we wouldn't. Ideally I would like to provide quality education and resources to your children at no cost to you. The Board of Trustees recognises that many of you contribute to the well-being of our school in so many different ways and we appreciate this immensely. Some of you put in many hours and support that is immeasurable. It is also important to note that these are voluntary donations. Families could, for example, choose to contribute a different amount than the one recommended. Donations can also be paid gradually (e.g. fortnightly).

Donations can be direct debited (**Westpac Porirua – 031533 0019737 00**) or paid through the School Office, for the whole year, term by term or in instalments. At present all donations over \$5.00 are tax deductible and receipts will be issued for payments made by cash, cheque or direct debit.

Thank you

Tara Taylor-Jorgenson – (on behalf of Board of Trustees)
