

Friday 26 May

The celebration will start at 9.15am with Kapa Haka, choir and a welcome from the Principal, Tara Taylor-Jorgensen.

The year 6-8s will then run a variety of small group activities and games from the 1920s.

By 11:30 we will be ready for the bollard unveiling, then we'll cut the birthday cake (for adults) and there will be ice blocks for the children.

You are invited to come along for this significant event.

We would like the children to dress in Black and White on the day if possible
