

Pukerua Bay School

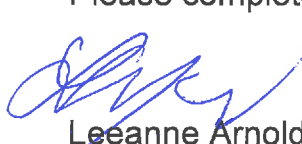

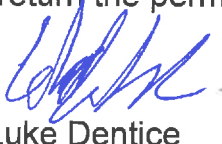

1 May 2018

Dear Parents and Whanau

On Thursday 17th May (Week 3), Rua and Te Motu classes will visit Wellington Zoo. The students will attend a Learning Session with the Zoo Educators and explore different animal habitats. Habitats will be our main science topic for the term. We will leave at 9:15am, travel to the zoo by bus, and return to school by 3pm. The visit will cost \$18 per child.

We need eight parent helpers for this visit. Unfortunately these helpers will not be able to bring younger children with them, as they will need to actively supervise the students in their care.

Please complete and return the permission slip by Friday 4th May.
